United States District Judge  
United States District Court  
Eastern District of New York  
920 Federal Plaza  
Central Islip, New York 11722

Re: United States v. Prado et al  
Criminal Docket No. 10-CR-074 (S-3)(JFB)

Dear Judge Bianco:

The government writes to request that the Court grant the government an extension of time to respond to defendant PRADO and ALVARADO's motion for a Wade hearing until Monday June 6, 2011. During the last status conference held on Thursday May 26, 2011, the Court directed the government to respond to the defense motions regarding the Wade issue by today's date. However, the government is requesting additional time so they may discuss the matter further with the civilian witnesses who viewed the photo arrays at issue.

Respectfully submitted,

LORETTA E. LYNCH  
United States Attorney
